Web Developer

New York, NY
sam.x.wu@gmail.com

PROJECTS

BLOCTIME | FRONT-END DEVELOPER 2017 - 2017

Architected a single-page application in AngularJS and Firebase for a Pomodoro time management application with a user-friendly user interface.

BLOC-IT-OFF | BACK-END DEVELOPER 2017 - 2017

Built an application allowing users to create self-destructing to-do lists using an MVC design pattern. An authentication system was incorporated allowing users to sign up and send emails for account confirmation.

BLOCIPEDIA | BACK-END DEVELOPER 2016 - 2016

Designed and developed an application that allows users to create public and private Markdown-based wikis. A payment system was integrated allowing users to upgrade or downgrade plans.

EDUCATION

BARUCH COLLEGE
2007 - 2010
B.A. in Actuarial Science

BLOC
2016 - 2017
Part Time Web Developer Track

SKILLS

JavaScript, HTML, CSS, JQuery, AngularJS, Bootstrap, Ruby on Rails, Test Driven Development, SQL, Relational Database Design, Git, Adobe Photoshop

EXPERIENCE

STEALTHWERK | WEB DEVELOPER INTERN 2017 - Current

Edit and arrange web contents and other materials within client's proprietary content management system. Maintain web applications with relevant information and processed all client requests. Provide quality assurance support for lead developers by analyzing applications and errors, escalating issues, and verifying fixes.

CM XL CORP | CO-FOUNDER 2013 - 2016

Co-founded a fashion forward shoe line targeting middle income consumers. Roles included overseeing the product development team, and working with the sales team to meet our client's needs that landed us in big name retailers.

GENRE | ACTUARY 2012 - 2013

Performed reserve analysis and restatement of actual to expected outstanding claims for GenRe's auto line of business. Ensured consistency and integrity of data from our reserving databases.
